

Socio Informatics 348 A1 Brief

Details

- Time: Thursday 4 September, 17h40 – 19h40
- Location: Humarga 320 (open area)
- Duration: 100 marks, 2 hours
- Module mark proportion: 35%

Scope

- Salganik: Chapters 1, 2
- R for Data Science (R4DS): Chapters 1–14
- This includes both theoretical and practical aspects of the work.

Structure

The test contains three sections:

- Section 1: Theory (3 questions), 20 marks
- Section 2: Programming shorter questions (11 questions), 54 marks
- Section 3: Programming longer questions (3 questions), 26 marks

Notes

- The test will take place between 17h40 and 19h40 and will be conducted electronically in the computer lab.
- All questions should be answered on SUNLearn.
- You will, however, need to use RStudio to write and execute your code.
- Make sure that you are familiar with running code in the Humarga lab environment.
